Frequently Asked Questions

How can I find out availability or more info?

Please complete our party booking form and email it to hello@sugarplumsplay.co.uk

How many children can attend a party?

Up to fifteen children can attend a party, plus up to five babies under 12 months. Older siblings may attend, and will be counted in the final child headcount.

How many adults can attend?

Every child in attendance can have an adult to accompany them, and the birthday child can have up to four adults. Total adult numbers are capped at 20.

Can we bring our own party food?

If you book the Little Plum Party package, you may bring your own party food, however fast food is not permitted. As we are a nut-free venue we also ask that you do not bring any foods containing nuts onto the premises. By bringing your own food you accept responsibility for any and all allergens and your guests.

Are we allowed to decorate?

Yes, and we allow 30 minutes' setup time for every party. Decorations are permitted in the main cafe area only, and must not be stuck to the walls to preserve our hand-painted decor.

Do guests need to wear socks?

Yes! To keep our play areas hygienic, we operate a shoes off, socks on policy for everyone. Adults can bring indoor slippers to wear if they prefer.

Can we bring our own birthday cake?

Yes! Due to food safety and allergen laws, we can only store cakes that do not require refrigeration (e.g. buttercream or ganache). By bringing your own cake you accept responsibility for any and all allergens and your guests.

Are party bags included?

Party bags are an optional extra for all packages, and include stickers, colouring, sweets and bubbles.

Frequently Asked Questions

Can we book our own entertainment?

You are very welcome to book additional entertainment, subject to prior agreement. We do need to know who is coming and the entertainment they provide, so we will require this information in advance of the party.

Is face painting permitted?

Face painting must take place in the main cafe area, after play. Face paint is not permitted in any of the play areas.

Do we get party invitations?

Yes! Every party package includes invitations, which we will send to you via email. Invitations are designed according to the party theme you select, with exception of the Little Plum Party, which are a standard style.

When do we need to provide final numbers?

For catered parties, final numbers and menu choices should be provided no later than 1 week beforehand. If menu choices are not supplied, a random selection of sandwiches will be provided.

Can we add more children on the day?

For the Little Plum Party package, if you are under capacity and want to add more children on the day, this is allowed. For the Storybook Picnic and Fairytale Feast, catering numbers are provided in advance, so additional children cannot be included on the day.

Can you hold our date?

No, we cannot hold dates, and bookings are not confirmed until we receive a booking form and a deposit.

What happens if we need to cancel?

Please contact us as soon as possible. Deposits are non-refundable, and if you cancel within 1 week of the party date, the full amount will be charged.

How do we book our child's party?

To book a party, first complete and send a booking form. Once we confirm availability, we request a deposit. Once we receive deposit and booking form, we will send an email to confirm your party is booked!
